## Feedback on facilities analysis

### *MCNARY SALEM FEEDER AREA*

As part of our recent facilities analysis, we asked school staff and community members if our facilities needs list was missing any needed projects. More than 500 people submitted written feedback. All suggested projects were considered and using our established criteria of systems that were failing or on the verge of failing, they were put into one of three categories. (1) Projects that will be added to the construction bond proposal; (2) projects that will go into our general fund maintenance work order list; and (3) improvements or enhancements to be considered in the future.

**1. Additions to the Construction bond proposal:** These items will be added to the upcoming construction bond proposal. They are in addition to the items identified by our facilities analysis, and mentioned by you as critical renovations, repairs and upgrades.

**McNary:** Repair and replace auditorium lighting panels.

**Whiteaker:** Upgrade the HVAC unit.

**2. Projects added to our Maintenance List:** These items will all have a work order issued and be placed on our Maintenance List to be worked on as part of our regular yearly maintenance schedule. These projects will be paid for through our regular budget, and will not be part of the construction bond proposal.

**McNary:** HVAC system and a general comment about building and grounds improvements.

**Whiteaker:** HVAC system, student lockers, air and water quality, lighting concerns, and cover for water heater.

**Cummings:** Asphalt on playground, walkways, and parking lot.

**Hazel Green:** Carpet replacement.

**Keizer:** HVAC system.

**Kennedy:** HVAC system.

**3. Future improvements or enhancements if funding is available:** This list is of improvements or enhancements requested. These are not critical repairs or renovations, but are considered enhancements to the existing facility. Thanks to your feedback, they are part of our overall future facilities needs.

**Whiteaker:** Request for additional staff bathrooms.

**Forest Ridge:** Request for a curtain or wall between computer room and media center.

**Kennedy:** Request for air conditioning in the computer lab.
